We all are aware that the four realms of the earth – lithosphere , Hydrosphere, Atmosphere and Biosphere together support life on the earth.

I Refer to newspaper, internet etc and give two current examples each of how the four realms of earth are being affected/destroyed by human greed. One has been done for you as an club.

1. LITHOSPHERE ---a. Excessive mining in the Himalayas led to landslides causing the disaster in Uttarakhand.

b.

2. HYDROSHERE -- a.

b.

3. Atmosphere -- a.

b.

4. BIOSHERE --a.

b.
