

# Lesson -7

## Patterns

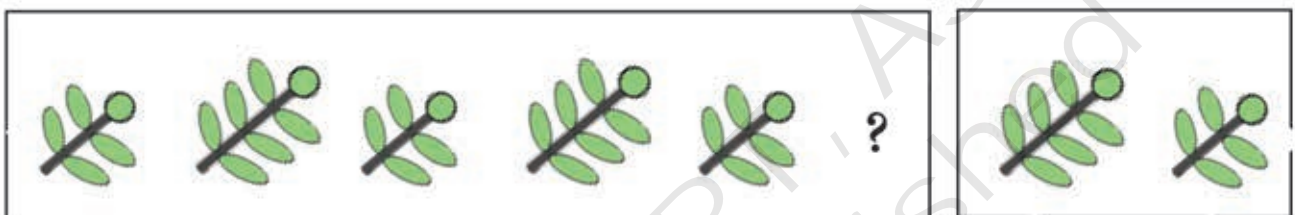

Complete the following patterns

Choose and put a tick ☒ on the picture in the box on the right to complete the pattern

Choose and put a tick ☒ on the picture in the box on the right to complete the pattern

Choose and put a tick ☒ on the letter that will come next in the pattern

### Let's make patterns with ladies finger

Cut a ladies finger into two pieces. Take a piece and dip one portion of it in a coloured liquid and put the impression of it on the paper. Now look at the prepared pattern.

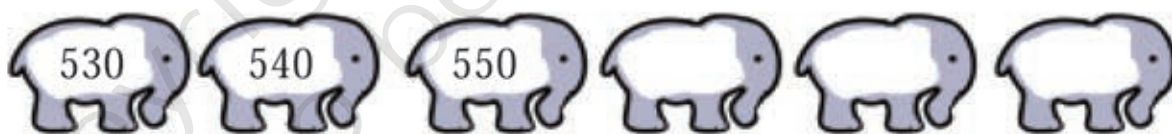

You can also make patterns like this using bitter gourd.

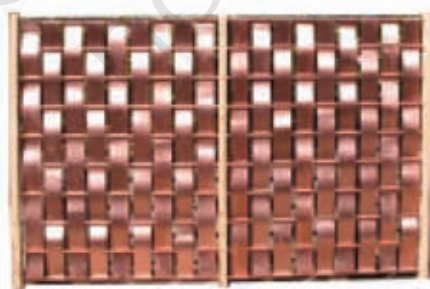

Dip your thumb into coloured liquid and make patterns

Complete the following patterns

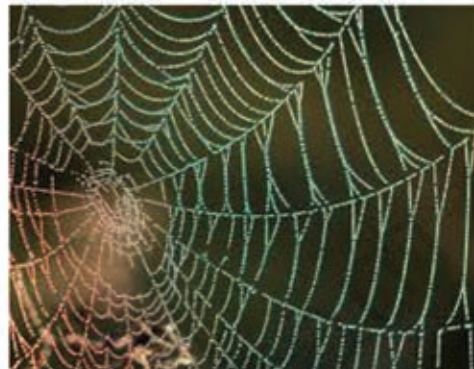

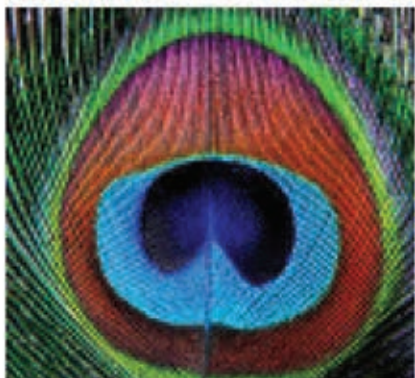

Let us observe the patterns made by using bamboo

Let us observe the patterns in different types of animals and leaves of tree

Find out a few more such patterns.
