**Answer:**

a hidden camera to take pictures and videos.

Speaking (Text Book Page No. 190)

G. Imagine a world with no books, but only e-books. How would you find such a world? Deliver a two-minute talk.

**Answer:**

World without books would be, like feast without salt. Books are the treasure house of knowledge. In olden days there was no current in houses. There was no computer or mobile phone. Even in those days, books helped people to educate themselves. Books can be used at any time. Leisurely we can read books. We can take notes also. Reading books does not give much stress to the eyes. Reading books does not need internet. Using internet excessively might create health issues such as headaches, earache, blurring vision, etc.
