Connaught Place, New Delhi

Sir,

Sub inadequate parking facility in the Connaught Place area.

You are well aware that Connaught Place is the heart and soul of our capital. It is the busiest place of the city. It attracts a large number of businessmen foreigners and tourists daily. Being a Centre of trade, there is a great hustle and bustle in the market.

During the peak hours one cannot park a car at a safe place because the parking facilities are only in a name.

For parking a car, one has to look here and there for proper safety and availability of a parking place. If a suitable spot is available by chance, it difficult to get ones' vehicle back because of the shortage of sufficient space.

Under these circumstances, it is imperative on the part of the authorities to make sufficient facilities available for parking the vehicles.

I hope you will definitely realise the inconvenience caused to all. Please take suitable steps to solve this genuine problem.

Yours faithfully,

Pralay Kumar
