પ્રશ્ન:-૨ (A) નીચે આપેલા પરિચ્છેદના આધારે તેની નીચે આપેલા પ્રશ્નોના ઉત્તર લખો.

(1) [King's court] Tenali raman, courtier-1 and courtier-2 are waiting for the king. There is a sound of trumpets and drums. The king walks in and all the courtiers stand up.

Tenali Raman and courtiers:- good morning your majesty.

The king:- good morning where are my ministers today?

I will discuss the new road project with them.

Courtier-2 :- your majesty, a great sadhu is in our kingdom these days. The ministers are at that sadhu's camp.

Questions:-

- (1) Who were waiting for the king?
- (2) Why did the courtier stand up in the court?
- (3) What did the king want to discuss with the ministers?
- (4) Where did the king's ministers go?

(2) Vandevi touched its trunk with her magic stick and disappeared. The next morning, the leaves of the babool tree changed into shining golden leaves. It has no thorns at all. The babool tree looked beautiful and very happy but its happiness did not last long.

The babool tree begged, "please don't take my golden leaves. I love them" A man said, "I'll sell the leaves and buy things for my family" Then they run away happily with all the golden leaves. The Babool tree looked ugly with out leaves. The Babool tree starts weeping. some people passing through the forest looked at this wonderful tree. They saw the golden leaves, and started plucking them.

Questions:-

- (1) What did vandevi do?
- (2) What happened to the leaves of the babool tree the next morning?
- (3) How did the babool tree look with golden leaves?
- (4) Who was plucking the babool's golden leaves? Why ?
- (5) The babool's happiness did not last long with golden leaves because.....
- (6) Without golden leaves how did the babool tree look?

(3) Two boys in a jungle.

Amit was in assam. He was staying with his friend, bhupen.

Amit:- assam is so beautiful. isn't it? It has forests and rivers your forests have thick bushes, long creepers, thick trees, short trees and small trees too The leaves of the banana plants are glossy. Do ants skate on them?

Bhupen:- [smiling] certainly! They must have a lot of fun haven't they?

Amit:- Why are all trees so tall?

Bhupen:- They are tall because we get a lot of rain. The soil is very fertile. we have thick forest.

Amit:- We have tall trees in dang too. we also have forest.

Bhupen:- Gujarat is famous for lion isn't it?

Amit:- yes, we have a lion sanctuary. we also have wild Qss sanctuary sloth bear sanctuary and many bird sanctuaries as well. Are there wild animals in assam?

Bhupen:- Oh, yes our kaziranga is famous for one-horned rhino. It is the UNESCO world heritage site. It has elephants, wild buffaloes and swamp deer. Next week some of us from our school are going to camp in kaziranga. we'll see elephants and other animals.

Question:-

- (1) Where was Amit?
- (2) Which plants leaves are glossy?
- (3) Why are all the tree so tall in the Assam?
- (4) What did Bhupen tell about Assam?
- (5) Which sanctuaries does gujarat have?

(4) Dhanush and raghav are best friends, They are studying in class VIII, like you. Today is Sunday and both are on the playground.

“Raghav! I am hungry, Let's go to my uncle's home It's just next to this street” said Dhanush.

- (6) Mr.shah knows a doctor.He.....mr vyas there. (take)
- (7) I do not have a mobile.I.....my parents. (call)
- (8) You are late.you.....the hall.(enter)
- (9) Umang has fever.He.....ice-cream. (eat)
- (10) There are 60 student in the class.the teacher.....their books in one day. (correct)
- (11) Rohit is a fast runner.He.....the match. (win)
- (12) Akash knows english.He.....you. (help)
- (13) Asha likes cooking.She.....many tasty dishes. (make)
- (14) you are not 18 years old.you..... a car. (drive)
- (15) Ketan is clever.He.....this problem. (solve)

પ્રશ્ન:-૫(A) નીચે આપેલા મુદ્દાના આધારે નિબંધ લખો.

(1) The Elephant

[Point:- Largest animal-strong-its body-trumpets-useful animal-faithful-intellegent-sharp memory-tricks-its keeper is called a 'mohout' - joy-rides- where do we find wild elephants?]

(2) A visit to A Zoo

[Points:- When did you visit a zoo? -with whom? - birds-tigers, lions, etc-deer park- Zebra and giraffes-elephants and monkeys-snaks - swans and ducks - crocodiles - how you enjoyed]

(3) My village

[Point:- Location - farmers - honest people -small houses - irrigation for farms - well -river - temple - roads - banks - school - post office - primary health centre]

(4) Save environment

[Point:- today our environment is in danger - air, water, noise pollution - smoke, vehicles and factories - chemical waste - loud speakers, microphones, loud volumns, honking of vehicles - preventing pollution - remove all causes - plant more trees - special laws to save environment - we can prevent pollution.]

પ્રશ્ન:-૫ (B) નીચે આપેલા વાક્યોના પ્રશ્નવાક્ય બનાવો.

(1) Mr.Patel buys vegetables and fruits.

(2) Sachin and Sunil play cricket.

(3) Mrs.Panchal washes clothes.

(4) Dinesh goes for a walk today evening.

(5) Urmila eats an apple.

(6) Kalapi wrote a Gujarati poem.

(7) Hemangi will buy five books tomorrow morning.

(8) Nandita won award in the last inter school hockey tournament.

(9) Mr.Vijay patel stayed in the canada for three month.

(10) Ratan and Jatin go to school at ten o'clock.
