WORKSHEET NO – 3

NAME :   **GRADE:**

CLASS : VI   **SUB**: PHYSICS

CHAPTER: Measurement   **DATE**:

Q1.Define area. State its S.I unit. Write down the formula to find out area of regular surfaces.

Q2.Draw the followings: (i) square   (ii) Circle   (iii) Triangle   (iv) rectangle

Q3.Measure the area of an irregular surface (a leaf) with a graph paper.

Q4.Define volume. States its S.I unit. Write down the formula to find out area of regular solids.

Q2.Draw the followings: (i) Cube (ii) Cuboid (iii) Sphere (iv) Cylinder (v) Measuring jar
