The Fox and the Sour Grapes

One day, a hungry fox was walking in the forest. He saw a small bunch of grapes high on the vines. The fox was very happy to see them.

He thought, "Good, I got something to eat!"

He jumped and tried to get them, but could not reach! He kept trying for many times but in vain.

At last, the fox consoled himself by saying, "Those grapes are sour. I will find something nice to eat."
