

## Lesson 3

Let's recite:

# Traffic Lights

Red says, 'Stop'  
Green says, 'Go',  
Wait and watch  
Before you go.

## ACTIVITIES

### 1. Listen and say:

- Who says 'Stop'?
- Who says 'Go'?

2. Let's read what the children are saying:

I come to school  
on a bicycle.

I come to  
school on foot.

I come to  
school by bus.

3 Work in pairs. Ask each other:  
How do you come to school? Put a tick (✓) for the vehicles  
you see while coming to school:

bus

car

bicycle

rickshaw

boat

4. Let's recite:

**The Wheels on the Bus**

The wheels on the bus go round and round,  
Round and round,  
Round and round,

The wheels on the bus go round and round,  
All through the town.

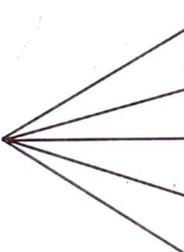

The horn on the bus goes beep beep beep,  
Beep beep beep,  
Beep beep beep,

The horn on the bus goes beep beep beep,  
All through the town.

.....

5. Work in pairs. Ask questions with "What colour is .....?"

What colour is  milk?  
grass?  
an apple?  
a sunflower?  
a crow?

Now, write the answers for the questions. One is done for you:

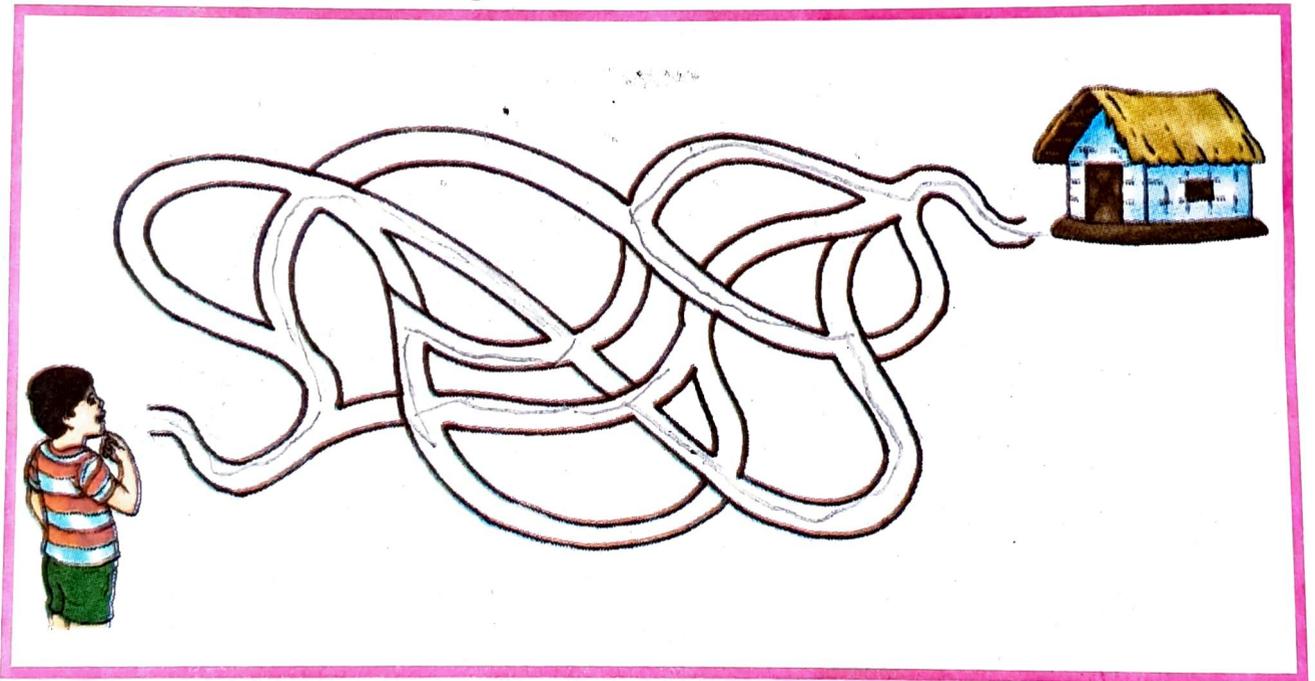

- |                 |    |        |                    |
|-----------------|----|--------|--------------------|

*The teacher will help the learners to recite or sing the rhyme.*  
*The teacher will make the learners sit in pairs. One learner will ask a question and the other will answer. The teacher will help learners, if necessary.*

## 6. Listen:

Raju always goes to school with his father on a bicycle. One day, they went to town in a bus. The bus stopped at the railway gate. Raju saw a train passing by. He also saw many buses, cars, rickshaws and autorickshaws there. He asked his father when the bus would move. His father said it would move when the green light would be on. He also said that people on foot should cross the road at a zebra crossing. Raju was happy to learn this.

## 7. Find Raju's way to grandma's house:

## 8. Circle the words you know:

(a) tren    train    tran
