[Mr Shekhchalli going on road found a tyre started to daydream thinks of making a bicycle will sell the bicycle - will earn money-will open a cycle store will earn a lot of money - will open a bike showroom - will sell bikes will become a millionaire - will earn more will start a car company - will become billionaire - will start an airline - will become the richest man.]

Hello, friends! I am Mr Shekhchalli Yesterday, I found a tyre on the road. I thought. "This tyre will make me a very rich person."

Do you know how?

First of all, I will make a bicycle. Then I will sell the bicycle and earn money. I will open a cycle store with the help of the money. My store will be popular. I will sell many cycles and earn more money. Then I will open a bike showroom and I will sell bikes. Thus I will earn a lot of money and I will become a millionaire.

I will earn so much money that I will start a car company. My cars will be very popular. I will sell the cars and earn a lot of money. Soon I will become a billionaire. I will earn a lot of money. In a few years, I will start an airline. I will have my own airplanes. My airline will be very popular. I will earn a lot of money. I will become the richest man on the earth.

Then I will also buy some ships. My shipping company will also be very popular. I will earn more and more money. Then I will enjoy myself. I will travel all over the world. I will have a home on Mount Everest. It will be a big house. It will be so big that ..."

Mr Shekhchalli stretched his hands to show how big the house will be. And the tyre tore! Poor Mr Shekhchalli!
