

8. A Serious Talk

Name the pictures on this page.

A spider sat quietly in the centre of its web. Suddenly,.....

Ah, there is a swing in the web again. I guess someone is in !

Good, welcome fly dear, I was waiting for you

Oh God, again the cobweb, I'm caught!

While this happened, a lady was cleaning her room. She sucked the spider, the fly and the web all in to the vacuum cleaner.

Eh, it's so dark (grgrgr.gr.....). What's that noise ? What's happening.

Vaccum Cleaner

My head is whirling. I'm falling. What is going on? Help! Help!

By this time, the lady switched off the vacuum cleaner and everything became quiet.

Who's that ? I
can't see anyone.

It's me, a poor
spider. Who's
there?

Oh, are you Miss
Spider? I'm the fly you
were going to eat a few
minutes ago.

That's the rule. Spiders
eat flies, birds eat
spiders and cats eat
birds.

Ah, no, it can't be so.
I think we have been eaten
up by something bigger than
both of us.

It's so nice to hear
you. Are we going
to die?

I really feel sorry for
all the flies I've eaten. If I
get out of here, I would be
a different person.

I wish there was a world
where spiders and flies
would be friends and insects
would be free from fear!

I would like to drink
honey like butterflies. It
wouldn't be a bad idea to learn
to eat berries.

Oh, I was also thinking the same.
If I live longer, I would change myself too. I
won't go to rubbish heaps and sit on rotten
things. I wouldn't walk on any one's plate with
dirty shoes on.

That's interesting! I don't
think we have ever had a chance to
talk to each other and know each
other's feelings like this before.

u...n....u....n.... But....
but it's too late, or else
we could have changed
the world.

What will happen next ?

In the meantime, someone took the bag of the
vaccum-cleaner and emptied it on to the garbage heap.
The spider got frightened. But, in a short while, he
recovered. It stretched its legs and began making a new
web.

Fly dear, are
you here?

Yes, Miss Spider
are you there?

Look, I've made
a beautiful and
peaceful new web.
Do come and see it.

Boo..n...booh! This is where you have to be Miss Spider. It looks just like the old one. I'm going. I can't wait. We were friends but after all I'm a fly and you are a spider.

And the fly was ready to take off.

But where are you going?

To a new rubbish heap and then walk on someone's lunch with my dirty shoes.

But, fly dear, we are friends now. Do forget the past.

Ah, me but I won't be again!

The fly rubbed its legs clean and flew off! And the spider sat and eagerly waited for an insect to get trapped into its web.
