

WBJEE 2021 Syllabus for Physics

WBJEE Topics in Physics
Physical World, Measurements, Units & dimensions
Kinematics
Laws of motion
Gravitation
Friction
Surface tension
Bulk properties of matter
Viscosity
Kinetic theory of gases
Thermodynamics
Current Electricity
Oscillations & Waves
Electrostatics
Magnetic effect of current
Electromagnetic induction & alternating current
Magnetics
Electromagnetic waves
Nuclear Physics
Solid State Electronics
Optics I (Ray optics)
Optics II (Wave Optics)
