

LESSON -23 A BEAUTIFUL CLOTH

Name-----

Date-----

1.Name the following.

2.Arrange the following in correct order.

1) Dress, cotton plant, cotton cloth, cotton fibre, cotton seed.

2) silk worm, moth, eggs, silk thread, pupa, silk cloth

3) hair, sweater, sheep, wool

3.Who am I

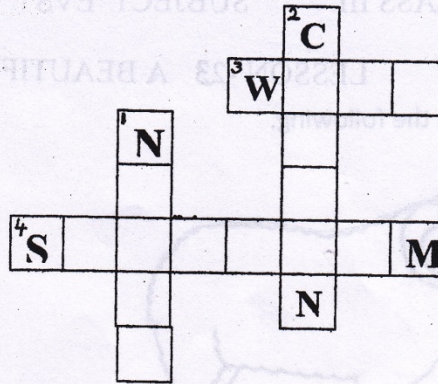

This animal gives its woolly hair

Weaver makes wool out of it

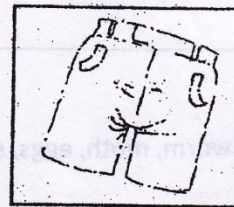

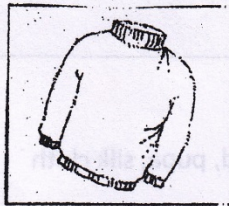

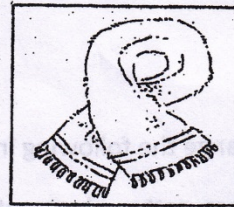

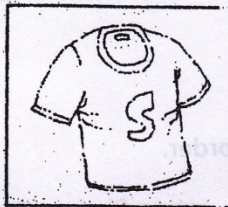

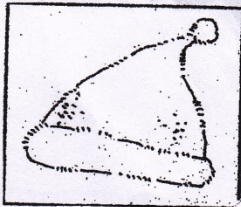

We wear it to stay warm.

Complete the puzzle:

1. It is a synthetic cloth.
2. We get it from a plant .
3. Sheep gives us this.
4. We get silk from it.

Colour the Woolen clothes with 'Red' and cotton clothes with 'Blue'

Draw the designs on the cloth .
