

1. Water's for ...

What would happen if water disappeared from the earth?

Water's for . . .
washing, drinking
making tea,
cleaning the bath
or scrubbing me;
shining a car
or rinsing a shirt
watering tomatoes,
shifting the dirt
... my Mum says.

But I say . . .
Paddling in wellies
or just in feet
(puddles are good
but sea's a treat)
squirting at brothers,
splashing Dad,
soaking my sister
to make her mad!
Mixing with mud
to bake a pie,
spraying the dog
or catching a fly.
bath or puddle,
sleet or rain,
let's all play
a WATER game!
