

Hots (Higher Order Thinking Skills)

Q. 1. Name the strategies followed by the Indian government to establish secularism.

Ans. The strategies followed by the Indian government to establish secularism are:

- (i) Strategy of non-interference.
- (ii) Strategy of distancing itself from religion
- (iii) Strategy of intervention

Q. 2. What do you know about secularism of the US?

Ans. According to the US constitution, the legislature cannot declare any religion as the official religion. The legislature cannot give preference to one religion and neither the state nor religion can interfere in the affairs of one another.
