Subject: **Termination of Lease Agreement**

Dear Mrs. Khanna, This is with reference to lease agreement made between you and me for the period of one year. My flat has been allotted to you on lease for the period of one year at an agreement that 7 8,000 will be your monthly rent. I am please to inform you that you had been very punctual and made all your payments on time. Apart from paying your rein on time you also have maintained my property very well and formed a good relation with the fellow neighbours.

But I am extremely sorry to inform you that you have to vacate my flat because I am facing some financial crises and hence, I have to sell my property. I already got a great deal for my flat and have very less time i.e. two months therefore it's my humble request to you that please accept this termination of lease and kindly vacate the flat before two months.

Yours Truly
