

Match the number of birds with the number of fingers.

Reprint 2024-25

Match the fingers with correct number of dots (one has already been done for you).

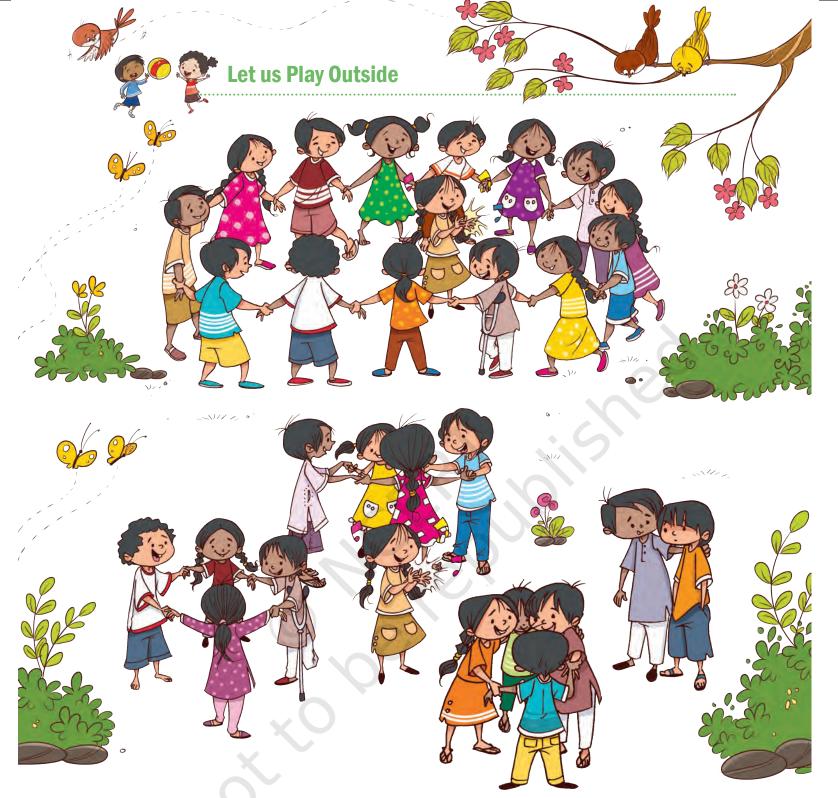

Let us Play – Mime with Fingers

Show 3 fingers to your friend. Your friend has to show 3 . fingers but in a different way. Similarly, you can play for other numbers.

What are the different ways of showing 4 fingers using one hand?

2

Children can move in a circle by holding hands and singing songs. A child claps and says four. All children can make groups of four by holding hands. The left out children can count the number of children in each group. Similarly, children continue this game by saying different numbers up to 9.

My Drawing Day

A drawing event held for children on '*Ekta Diwas*' (31st October). Assign different objects to each child by drawing a line as shown in the picture.

Help them to know if they have enough material.

Tick 🗸 more or less or equal.

Objects	More than the number of children	Less than the number of children	Same as the number of children

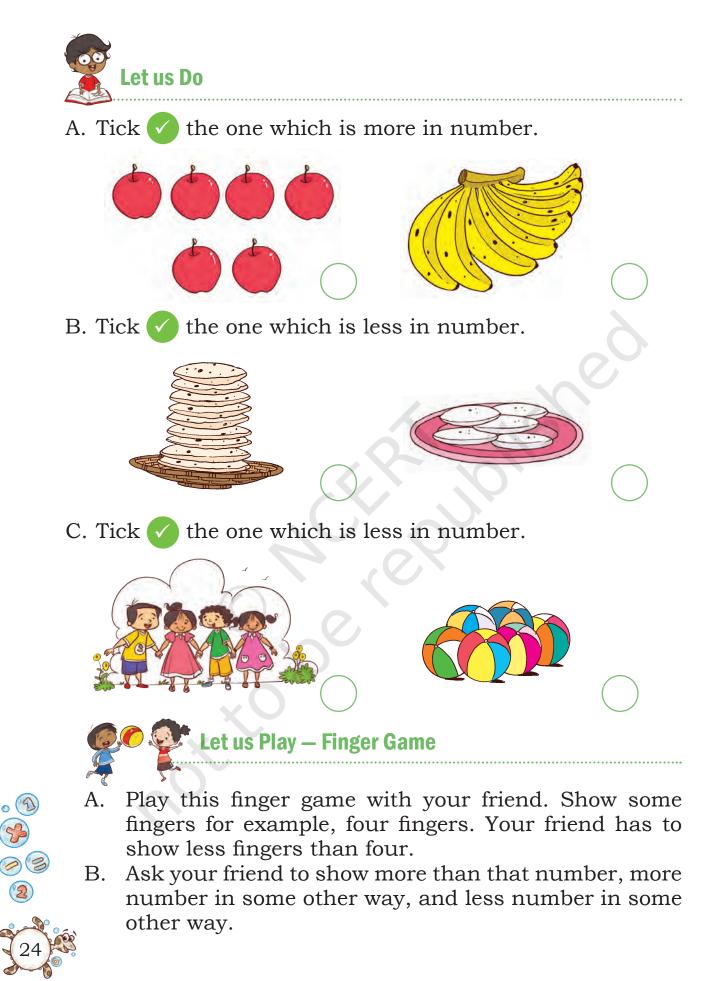

B

03

6)

Discuss with children how did they find out which items are more or less or equal. Also discuss the habit of sharing objects among the group when children are more than the items or objects. Also discuss the importance of *Ekta Diwas*.

Reprint 2024-25
