## WRITING SKILLS

I. Read what Nitin has written about his visit to the seaside .Strike out the sentences that do not tell about Nithi's day at the beach. Write out the sentences in the correct order.

Last Sunday, I went to the beach with my cousins and my uncle and aunt.

My cousins and I had a lot of fun chasing tiny crabs on the seashore

Then we picked up many pretty shells from the sand.

Nitin did his homework before he went to sleep.

In the afternoon, my uncle took us for a swim in the sea.

A cat went to sleep on the tree.

We had a wonderful picnic lunch and then went home very happy.
