

## **English Letter” Thanks Letter for Gift Gratitude with Reply”**

**Dear Raju,**

I am very grateful to you for the Indian Saree you sent me as a New Year Gift. It was so unexpected! So delicious! All my sisters are in whirligig about your gift.

How can I thank you? I just can't!

There is nothing in Japan which I can send you in exchange for a Banarsi Saree.

I am sending you a Transistor, but I know it is a poor substitute for the glory of an Indian Saree.

My heart goes out to you!

Yours lovingly,

**Sony**

### **Reply Letter of Gift Gratitude**

**Dear Sony,**

Thanks for your Transistor which has a perfect reception and brings me closer to all parts of the world.

Every time I hear a Japanese girl speaking from the Tokyo Radio, I feel the voice of my Zooki ringing in my ears.

All my people thank you for your gift.

Yours lovingly,

**Raju**
