Activity 7

Write the dialogue in the form of a paragraph, Start this way...

➤ Last week, there was a fair at Vadodara Haseena, a 7-8 year-old girl, lost her way. She had come to the fair in the evening. She was with her parents. While moving around in the fair. Haseena wanted to see the monster So she ran to that corner. She moved away from her parents. She was so busy looking at the monster that she did not realize that she was separated from her parents. She was lost! Luckily, a policeman saw her. He asked her where she lived. Haseena told him that she lived in Azadnagar. The policeman decided to take her home. Haseena was happy. She thanked the good policeman.
