

ASSIGNMENT

SOCIAL SCIENCE (HIS/CIV)

CLASS VIII

- Q1. Do you think in the 21st century women are treated on an equal footing in our male dominated society? Cite examples.
- Q2. In the 19th century, when the first girls school was set up, it was generally thought that the curriculum for girls should be less taxing than that for boys. Do you agree with this view?
- Q3. Comparing the position of women in the colonial period and independent period in India, would you agree that the 19th century social reformers were successful in improving the condition of women?
- Q4. Raja Rammohan Roy has been called the "Father of modern India". Do you agree with this assessment. Substantiate your answer with examples.
- Q5. Which social reformer has impressed you the most? Discuss and give reasons.
