

Holidays' Homework
Grade-3
Session- 2014-15

1. Topic: Time and Management.

Vacation Time! How glad it seems.

So let your little fingers dance around with Ink and Pen,

Paper and Scissors, Paint and Colour.

Switch ON the Search Engine of your mind ,

Whatever you have learnt just rewind.

Little bit of research and lots of imagination,

Will make your holidays fruitful

And add colours to your creations.

Now get set go.....

Talk to your friends; Interact with your neighbours,

Note down their views on colourful papers .

Give shape to your Project.

Put the research in line.

Holidays can really be fun.

If you utilize you time.....

To make your work look attractive and neat .

Make sure make sure that you do it on A4 sheet .

Don't forget to write the topic and put the name tag,

Compile sheets and them in your clear bag.

When the school reopens bring back your Treasures

To go through it, will be our Pleasure!

Note:- Make a separate notebook for Q2 to Q6

2.Newspaper Activity: Read newspaper daily and find out 10 buzz words.

Paste each word on a card (you can use old visiting cards) and draw its related pictures.

Internet

Encounter

3. Visit any one of the following places with your family:

- a) a zoo**
- b) any historical monument**
- c) a traffic park**
- d) a bird sanctuary**

Write 6 – 8 sentences on what you saw there and draw a related picture on the drawing sheet. You can also click photographs of your visit with your family and stick them along side to make it more interesting.

4. Read the story books:

i. Heidi

ii. Aesop's Fables

5. Create your own Word Dictionary – 'Let's practice reading the dictionary.

Pick new and difficult words from each letter of the English alphabet. Arrange them in the way the words are arranged in the dictionary. Refer a good dictionary and write the meaning of each of these words. Make sure that you have a different sheet for each letter. You may use coloured art sheets/scrap book.

5. Compose a good poem in English-Theme 'Our Earth goes green'
