

Class: II English.

Read the passage and answer the questions given below:

One day, two frogs fell into a churn of milk. They swam round and round and tried to hop out. As there was no solid support under their feet, it was not possible for the frogs to hop out and escape. At this, one of the frogs gave up swimming and went down to the bottom of the churn. He was drowned. The other frog went on swimming. His movements churned the milk and turned it into butter. After some time, the frog climbed up on the pat of butter and hopped out of the churn.
