**Make Her Smile** 

1. Your mother wakes up early morning to make sure you reach school on time. She also ensures that you complete your homework. She even cooks your favourite dishes.

Let us surprise her by gifting her something unique!

You can choose from:

• A Thank You Card / Tiara

Take the help of your grandparents/elders and use an A4 size sheet to create any of the above. You can use frills, glitters to decorate your piece.
