

EVS CREATIVE WORKSHEET

CLASS IV

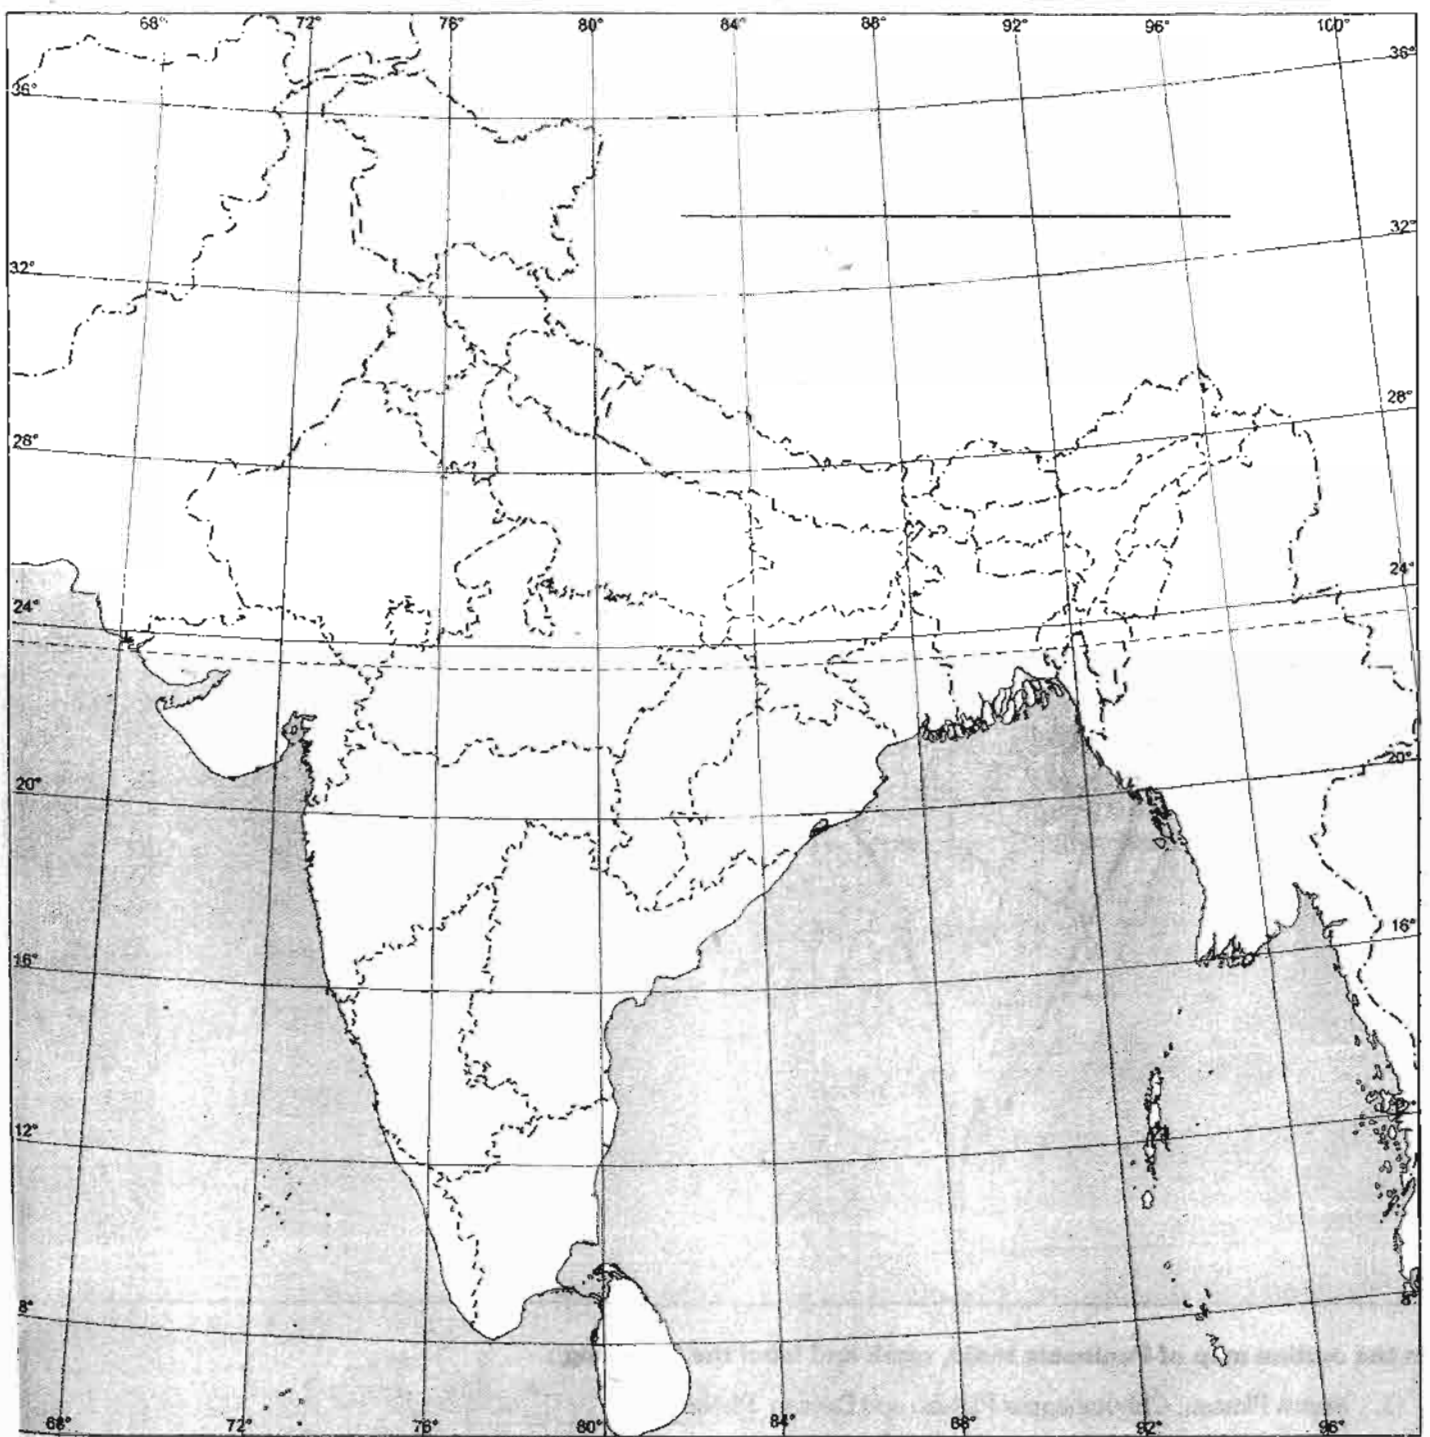

Topic – Mapping our neighbourhood

Take a reference from your atlas and study the states of India and their capitals.

On the outline map of India, locate and label the following :

1. The States and Union Territories and their capitals.
2. Shade the largest and the smallest States of India in terms of size.
3. Complete the Index to the map.

On the outline map of India, locate and label the following :

1. The seven countries that share land boundaries with India; label their names on the map as well.

2. The three seas that surround India.

3. Label the title of the map in the space provided.
