**Activity 1:-**Use handmade paper OR cartridge sheet to design a book hangout/bag illustrating an interesting event from the book read as the cover. Follow the instructions given below to make it.

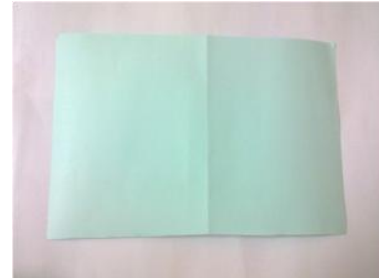

### How to make a Hangout Paper Bag

For this you will need:

1. Chart paper (or any other thick paper)
2. Glue
3. Scissors
4. Handle for the bag
5. Punching machine
6. Colors
7. An interesting scene from the book

#### **Step 1:**

Take a piece of chart paper and make a crease at the center.

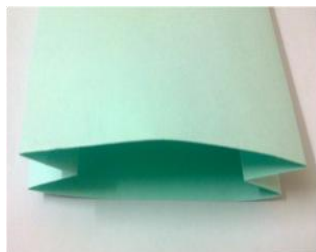

#### **Step 2:**

Paste the two sides together with glue. Allow it to dry for some time.

#### **Step 3:**

Fold both sides of the paper. The thickness of the fold will determine the space inside the bag; this will become the width of the bag, so accordingly make the fold.

#### **Step 5:**

Fold the bottom of the bag for a length of around 2 inches. This will depend on the size of the bag you are making.

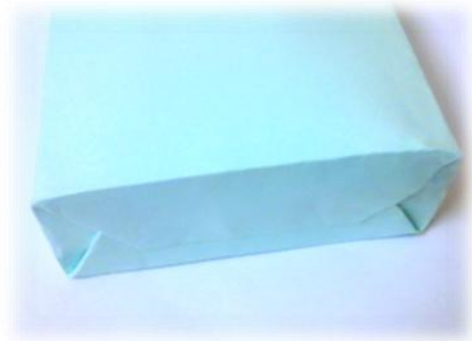

**Step 6:**

Unfold the last fold made. Along the side crease, fold inwards to form a triangular shaped edge.

**Step 7:**

Fold the flap inwards and flatten it as shown below. Paste the two flaps together using glue and press so that the base is firm.

**Step 8:**

Using a punching machine, make two holes on both sides of the bag to attach the handle.

**Step 9:**

Add some color to it, use watercolors or poster colors to add some designs to one side of the bag. Draw any interesting scene from the story on the other side.

**Step 10**

Attach a handle to the bag using the holes made. You can attach simple plastic or thread handles to the bag as well.
