

Sing a Song of People

0526CH09

Everybody seems to be in such a hurry
these days! I wonder why?

Sing a song of people
Walking fast or slow;
People in the city,
Up and down they go.

People on the side walk,
People on the bus;
People passing, passing,
In back and front of us.

People on the subway
Underneath the ground;
People riding taxis
Round and round and round.

People with their hats on,
Going in the doors;
People with umbrellas
When it rains and pours.

People in tall buildings
And in stores below;
Riding elevators
Up and down they go.

People walking singly,
People in a crowd;
People saying nothing,
People talking loud.

People laughing, smiling,
Grumpy people too;
People who just hurry
And never look at you!

Sing a song of people
Who like to come and go;
Sing of city people
You see but never know!

The Village Child

My home is a house
Near a wood
I'd live in a street
If I could!
I do wish someone
Lived near.
There's no one to play with
At all.
The trees are so high
And so tall:
And I should be lonely
For hours,
Were it not for the birds
And the flowers.

Let's Talk

The people who live in cities often wish they could live in quiet towns. Do you like the place you live in?

Tell your partner two things you like and don't like about the place you live in.

The City Child

I live in a city
In a street;
It is crowded with traffic
And feet;
There are buses and motors
And trams.
I wish there were meadows
And lambs.
The houses all wait
In a row
There is smoke everywhere
That I go.
I don't like the noises
I hear
I wish there were woods
Very near.

Have all built their nests in my beard!"

Poem: Sing a Song of People

THEMES

Travel
Regard for others
Adventure
Imagination
Familiarity with reading maps

READING TIME

The children could be asked to read books based on travel in India and abroad. They can be encouraged to read stories like *Treasure Island*, *Sinbad the Sailor* and share interesting facts about them in class.

CONVERSATION TIME

Why do people travel — to see a new place, for business etc. — the teacher should conduct a brainstorming session of ideas.

The teacher could discuss the various means of transport, both ancient and modern, and how travel is getting more and more luxurious nowadays.

What are the important things to keep in mind while travelling, what are the risks and hazards involved, how to read maps, signs, landmarks etc., are some of the topics that should be discussed.

WRITING TIME

Students could frame some questions of their own to interview the teacher by using the given questions as a guideline.

The paragraph on the children's favourite means of transport could also include their personal experience of travelling by it.

PROJECT WORK

The children could find out in detail about any one of the Seven Wonders of the World. The picture and the related paragraph could be displayed in the class.
